Published quarterly by Maryville College. Entered May 24, 1904, at Maryville, Tennessee, as second-class mail matter. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, authorized February 10, 1919.

EXECUTIVE COMMITTEE

Standing, left to right: Al W. Dockter, Jr., James W. Hampton, Linton Lane, Dr. Henry Callaway.
Seated, left to right: Mrs. W. C. Frishe, Mrs. L. C. Olin, David L. McArthur, Miss Winifred Painter, Mrs. James B. Cornett.

Dear Maryville College Alumni:

The committee pictured above, together with Ernie Caldwell and Ernie Lowe, co-chairmen of foods, have begun work on the 1955 Homecoming. Each year the attendance has been larger than on the preceding one, and from reservations already received we believe this year's will top them all. Our plans for this year include a special room in the Samuel Tyndale Wilson Chapel Building where alumni may meet during the day—and detailed arrangements for a barbecue inside in case it should rain.

Those of you who do not plan to come will think of the college on November fifth. For the four thousand of us who are Maryville College graduates have more than our diplomas in common. We believe in the small, church-related college, and we are giving support and loyalty now when she greatly needs it.

With best wishes,

David L. McArthur

President Lloyd's Page

TO ALL ALUMNI:

1. *Twenty-five years.* From time to time throughout the life of every man come anniversaries—of birth, graduation, marriage, residence, position. By custom we underscore certain periodic ones—the fifth, the tenth, the twenty-fifth, the fiftieth. To the more venerable we give honorable names of what once were considered the most precious metals—silver to the twenty-fifth, gold to the fiftieth, diamond to the seventy-fifth; and a person is likely to experience something of a shock when he arrives at any one of them.

In November Mrs. Lloyd and I will be at the Silver Anniversary of our coming to live and work at Maryville College. It was twenty-five years ago in June that the Directors took official action inviting me to the presidency; it was twenty-five years ago in September that I accepted the invitation; and it will be twenty-five years on November 29 since I arrived and officially took up my duties.

How rapidly the years pass—as those of you who were students at Maryville that fall can testify! Yet some of your sons and daughters are in college now, which proves that a silver anniversary marks a considerable span even though it may seem a short one.

2. *Appreciation.* To have a part in the ongoing service of a noble institution like Maryville College for twenty-five years, and to have as friends an impressive number of Maryville College graduates and former students all over the world, are privileges which Mrs. Lloyd and I value highly. And now it comes to our knowledge that the Directors, Faculty, Alumni, and other friends are planning some special observance in connection with Founders and Homecoming Day. This we appreciate very sincerely indeed.

3. *Stability.* Although short presidential terms in a college do not always reflect institutional instability, they often do so. While longer terms do not always bring institutional progress or stability, they often do so; and I think they have in net results done so at Maryville. They like the permanency of a faculty, usually reflect essential institutional stability and continuity of purpose and life. This is especially important

for a church-related college which desires to make religion vital and its values central, in an age of rapid social change and strong currents toward secular emphases and government dominated patterns in higher education.

There have been only six Presidents in the 136 years of Maryville College history. Some of you can recall their names, if not their respective numbers of years in office. They are: (1) Anderson, 38 years; (2) Robinson, 4 years; (3) Bartlett, 18 years; (4) Boardman, 12 years; (5) Wilson, 29 years; (6) Lloyd, 25 years. These add up to only 126 years, for there were vacancies of eight years at the time of the Civil War (1861-1869) and of two years after the third presidency (1887-1889).

4. *This college year* is well underway, with a representative student body larger than that of last year, and the largest since the fall of 1950, (when with some veterans still here the total was 828) although not yet back to what we call our "normal" of 800. Since 1950 the freshman classes have been under normal size due to smaller high school enrollments, the Korean war, and some other factors. They have been moving back to normal and this year the entering class is the largest since 1949. While women's dormitories were filled by early summer, the comparative numbers of women, men, dormitory, and town students have not fully adjusted yet into our "normal" total, even though the crowd one sees from the Chapel platform each morning has all the appearance of a normal total.

5. *Our building projects* are moving rather deliberately just now, but are moving. The Fine Arts Center is complete and more and more a joy. The Chapel and Theatre add immeasurably to our facilities and are substantially complete, although "finishing" is still in process. It is expected that sometime this winter *Architectural Forum* (published by Time, Inc.) will carry an illustrated feature article on the Chapel, similar to that on the Fine Arts Center in *Architectural Record* a few years ago. The Chapel also is considered a notable American college building. Our architects are working on designs for the new women's dormitory and we hope construction can be started before 1956 is very old. May I call attention to the need for funds to finish payments on the Chapel and the dormitory.

6. *My schedule this year* promises to be more natural for a college president than that of last year. The Presbyterian General Assembly, which met in Los Angeles immediately after our Commencement in May, was a very crowded time for me as retiring Moderator, but turning over the gavel to Dr. Wright, the new Moderator, changed greatly the prospects of the months ahead. Various duties in the Presbyterian Church and the ecumenical movement are listed to continue for several years. I was in Europe at World Council and World Presbyterian Alliance meetings for a month in July and August. But at no time again will the volume of Church responsibilities be as large as that of last year. They represented service by the College to the Church in the world, and also many enlarged values to Maryville College. But I am glad to major again in college responsibilities.

Cordially,

Ralph Waldo Lloyd

The Lloyds at Maryville College

Twenty-Five Years of Dedication and Decision

At a special meeting of the Board of Directors of Maryville College last spring, it was decided to hold a special observance this fall to mark the completion of a quarter of a century of outstanding service by Dr. Ralph Waldo Lloyd as the sixth President of Maryville College. For Alumni, this will be a once-in-a-lifetime event. The Lloyd celebration will begin on Friday, November 4, and will carry over a three-day period, culminating on Sunday night at special services in New Providence Presbyterian Church where the new Moderator of the Presbyterian Church in the U.S.A., Dr. Paul Wright, of Portland, Oregon, will preach.

The testimonial dinner on November 4 will be an invitation affair, limited to the Directors, the faculty and staff, civic leaders, and representatives of alumni and the students. The restriction is necessary, of course, because of the physical limitations of Pearsons Hall, where the dinner will be held. While the dinner on the Hill progresses, a series of simultaneous testimonial dinners will take place in cities throughout the country as Alumni gather to pay tribute to the Lloyds and as a gesture of loyalty to the College. Tape recordings with greetings from Dr. Lloyd and music by the Vesper Choir will be sent to these Alumni groups.

At the annual Founders Day observance on Saturday, November 5, a speaker of national prominence will deliver the address, which will be in the nature of recognition of the Lloyds and also a tribute to the cause of the small, independent college in America.

During the day, a lounge will be at the disposal of Alumni in the lobby of the new Chapel-Theatre. Registration will take place there, and to insure the proper nostalgic atmosphere, pictures and pennants and all kinds of materials calculated to evoke memories will be placed in strategic places to help make you feel at home. This will be a Homecoming you will never forget.

In the afternoon, there will be the annual Homecoming Parade with a large number of floats on the general theme of the entire celebration: The Lloyds at Maryville College — Twenty-Five Years of Dedication and Decision. Many of these will be serious — some will be humorous — all will be worth seeing.

Following the parade, the annual barbecue will be held on the athletic field. In order to prevent or forestall the threat of the annual deluge which seems to be inevitable at the barbecue, plans are underway to provide a warm, dry place just in case it does rain.

The *piece de resistance* will be the Homecoming game on Saturday night under the lights when the Highlanders take on the Carson-Newman football team. Records go by the boards when these friendly foes tangle, and a capacity crowd is expected.

All in all, it adds up to a great day, one that you won't want to miss if it is humanly possible for you to be here. Few colleges can match Maryville's proud record of one hundred and thirty-six years of Christian service. Fewer still can equal the enviable record of stability of leadership; only six men have served as President in that period of time!

Think back to what that quarter of a century represents. At the very outset of Dr. Lloyd's administration, the worst depression in history took place. Before recovery could be effected, Hitler's legions marched across Europe and a second catastrophic World War engulfed the nation, threatening the very foundations of world freedom. Then came the era of the "cold war" and the difficult Korean conflict. Truly, these have been times that have tried men's souls.

It is inevitable that such world events have been mirrored on the Hill. Enrollment fluctuations, shortages of materials, and tightening of the budgetary belt were part and parcel of the college picture. Yet throughout the series of crises, Maryville College has held steadfast to the role of a Christian liberal arts institution in the very best American tradition.

The achievements of the past twenty-five years have been significant. A few of the most outstanding include the following:

1. Approval of the application in 1932 of a place on the annual list of colleges approved by the Association of American Universities, and subsequent recognition and approval by the National Association of Schools of Music and the American Association of University Women
2. Addition to the physical campus of more than one hundred acres of land, and improvement and landscaping of the central campus. The addition of a new heating plant was another important improvement
3. Construction within the past five years of two masterpieces of modern architecture — the Fine Arts Center and the Samuel Tyndale Wilson Chapel, worth more than a million dollars. Plans are now underway for the erection within the next year of a new dormitory for women
4. Establishment of retirement and insurance programs for faculty and staff
5. Inauguration of an Honors Work program, and of the Faculty-Student Senate, a unique organization aiming for close faculty-student planning

These are but a few highlights of the accomplishments of the past twenty-five years. Alumni know of certain of these things, for many at least, have been in some way connected with them.

There are interesting facts, however, that you may not know. It is unbelievable, but true, for example, that *three fourths* of all living alumni of the college have been graduated within these twenty-five important years. Still more remarkable is the fact that two thirds of *all* Maryville College alumni have graduated within this era!

You can be proud of your College: you can be proud of its traditions and achievements. You will want to be here in November to see in person the evidence of its remarkable growth and the expansion of its facilities, to greet old friends and acquaintances, and to wish Dr. and Mrs. Lloyd well on the occasion of their twenty-fifth year of service to Maryville College.

MAKE THIS A MARYVILLE YEAR.

THE 1955 COMMENCEMENT

The 136th Commencement events were, as usual, both exciting and sad for the seniors. The Class of 1955 numbers 97 in the final count and by now they have scattered to the far corners. A report of their present activities is given in this issue. All programs went off as scheduled, the only untoward incident being rain on Commencement Day. However, with the new chapel even rain was not too disconcerting. The academic procession merely formed in the theatre end of the building and marched across the colonnade to the chapel auditorium, instead of marching across the campus from Thaw Hall.

The Commencement Address was given by Rev. Wallace C. Merwin, of New York, and the Commencement Vespers Sermon was preached by Rev. J. Hayden Laster, of Harriman, Tennessee. In accord with a long-time tradition at Maryville, the Baccalaureate Sermon was preached by the President of the College, Dr. Lloyd.

Fifty-Year Certificates were awarded to the seven living members of the Class of 1905, of whom three were present.

The officers elected at the Alumni Dinner, held annually on the Saturday evening of Commencement Week, are listed on the inside front cover of this issue.

Three honorary degrees were awarded. The Doctor of Laws degree was conferred upon Mr. Robert J. Maclellan, Chairman of the Board of the Provident Life and Accident Insurance Company, Chattanooga, one of the important and rapidly growing life insurance companies in the nation. On September 15 Dr. Maclellan completed fifty years of active service with the Company. He has been a Director of Maryville College since 1940.

The Doctor of Divinity degree was conferred upon the Rev. James Hayden Laster, pastor of the First Presbyterian Church, Harriman, Tennessee. Dr. Laster was graduated from Maryville in 1930 and from Princeton Theological Seminary in 1933. He has been a Director of the College since 1950. Mrs. Laster (Willie Nell Harold) also graduated in 1930, and their son James is a member of the present senior class.

The Doctor of Divinity degree was conferred upon the Rev. Wallace Chapman Merwin, of New York, Executive Secretary of the Far Eastern Joint Office, Division of Foreign Missions, the National Council of Churches. Dr. Merwin attended Maryville College for two years and was graduated from the University of Louisville and the Louisville Presbyterian Seminary. From the latter institution he received also his master's degree. Until 1950, when missionaries were forced to leave, he served in China. Two sons attended Maryville College — Donald, ex '53, and Paul, '53.

The 1956 Commencement Week will be May 18 to 23.

CLASS REUNIONS IN 1956

The classes scheduled for reunions in May, 1956 are as follows: 1906, 1916, 1926, 1931, 1936, 1941, 1946, and 1951.

The Alumni office will be glad to assist the president (or someone appointed as reunion chairman) of each of these classes by providing a mailing list of the class. Plan early so that your reunion will be a genuine success.

The Fifty-Year Class

Three of the seven living members of the Class of 1905

were able to be present for their fiftieth reunion. It was necessary for Dr. Clinton H. Gillingham to attend the Commencement Exercises in a wheel chair but he seemed to enjoy very much receiving his Fifty-Year Certificate. Since his death in July it has seemed even nicer that he could enjoy this reunion. (See Deaths.)

Rev. Robert Lockhart Houston, since his retirement from the pastorate of the Sevierville, Tennessee, Presbyterian Church in 1953, has been living in Maryville. After graduation from Maryville College, Mr. Houston attended Western Theological Seminary, graduating in 1908. During his college and seminary days he was a noted baseball player, earning his way through seminary by playing professional baseball in the summers. He was a minister of churches in several parts of the South, then became a representative of the Board of National Missions in the South, and in 1943 became pastor of the Sevierville Church. Mrs. Houston is the former Henrietta Muecke, ex '08.

Rev. Alfred Noble Penland came from Tampa, Florida, for the reunion. He was graduated from Louisville Theological Seminary and served as a pastor in several Tennessee churches, in Alabama, and for seventeen years in Union, Mississippi. He belongs to a Maryville College family. His father graduated here in 1859; one brother in 1895, and another in 1904. His daughter Margaret graduated in 1933, and a grandnephew is in the Class of 1955.

Lois Alexander (Mrs. E. G.) Ritzman wrote from Durham, New Hampshire, that she was very sorry she could not come. She too is of a Maryville College family. They have been associated with the College for four generations.

Elizabeth Dorothy Wuiet (Mrs. F. B. H.) Brown returned from Honolulu to Dayton, Ohio, to live last November, after the death of her husband. She received her master's and doctor's degrees from the University of Michigan, and she and her husband were both at the University of Hawaii for many years.

Helen Miriam Post (Mrs. Fred S.) Wright received two graduate degrees from the University of Chicago. She lives in Brownwood, Texas.

James Minnis Felkner received a degree in civil engineering at Cornell University after graduation from Maryville. His home at present is in Berkeley, California.

PRESIDENT LLOYD RECEIVES DEGREES

At the 1955 Commencement season President Ralph W. Lloyd received three new honorary doctor's degrees, as follows:

Doctor of Letters (Litt.D.) from Westminster College, Salt Lake City

Doctor of Humanities (L.H.D.) from Lincoln Memorial University, Tennessee

Doctor of Sacred Theology (S.T.D.) from Blackburn College, Illinois

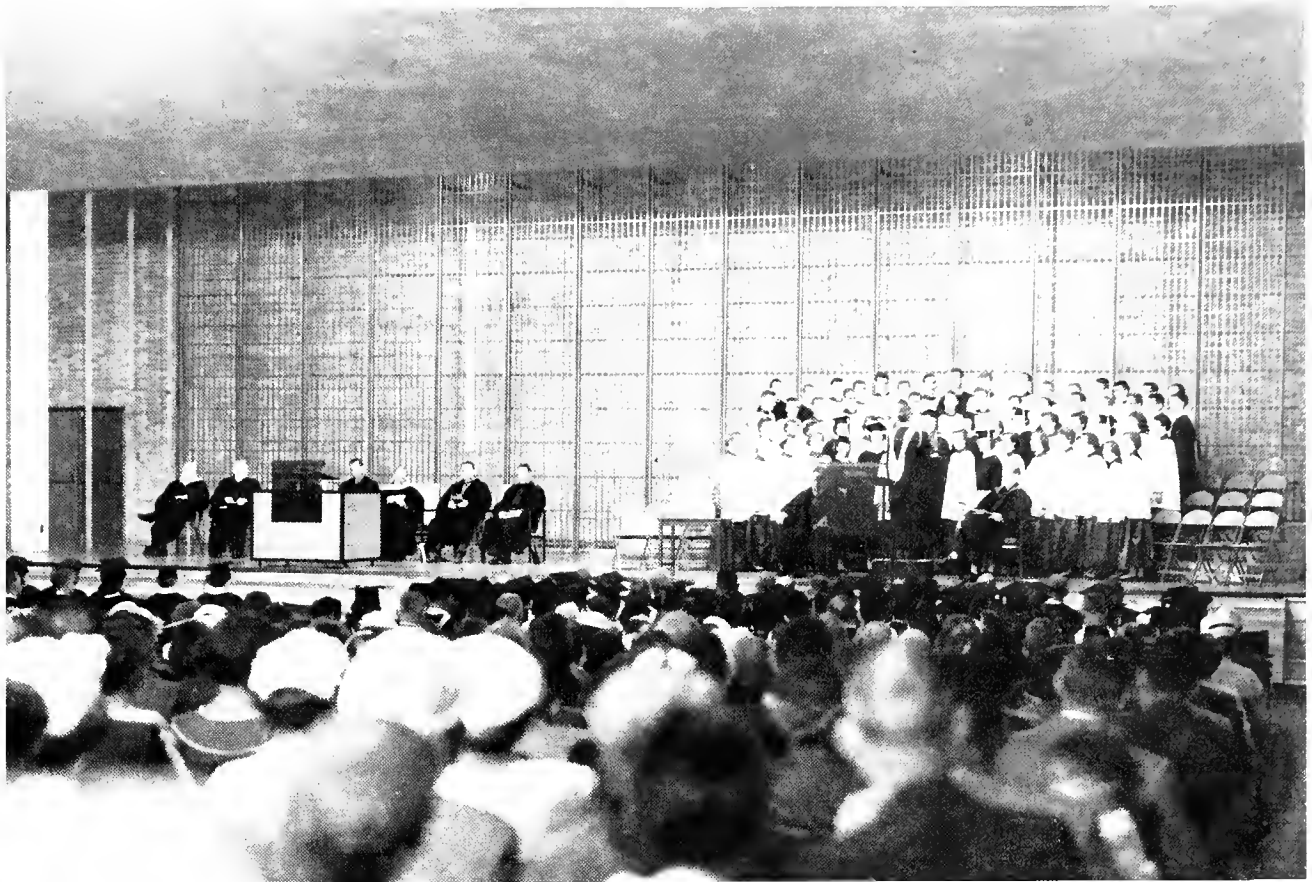

Dr. Lloyd holds also the following doctor's degrees previously received:

Doctor of Divinity (D.D.) from Maryville College (in 1929)

Doctor of Laws (LL.D.) from Centre College, Kentucky (1940)

Doctor of Laws (LL.D.) from the University of Chattanooga (1953)

Doctor of Literature (Lit.D.) from Lake Forest College, Illinois (1954)

BUCK OF THE MONTH CLUB

As this report is written, the Buck-of-the-Month Club is nearing the end of the sixth month of its surprising and very gratifying existence. No one ever really needed proof of the loyalty of the Maryville alumnus; but if such proof were necessary, the Buck-of-the-Month Club is a pretty good sample.

On Saturday, September 24, the fund went over the \$7,000 mark, with more than eleven hundred members. This represents a figure which is rapidly approaching the thirty per cent mark. We have already surpassed percentage of alumni participation figures by numerous well-known colleges — Centre, for example, and are threatening the enviable record of our good friends at Wooster, who established a tremendous thirty-nine per cent figure in the current alumni drive. There is no reason in the world why Maryville cannot have at least fifty per cent of her alumni participating. Prospects are very good that the income for this, the first year, will be at least \$12,000, a very respectable total.

There have been several problems and certain unforeseen developments. The biggest head-ache is the bookkeeping chore. This is gradually getting straightened out. If you have not received a receipt, do not get impatient. It is virtually an impossibility to send receipts as the gifts come in. We shall therefore (on recommendation of the Executive Committee) send an annual statement.

Some alumni have misunderstood the idea of the Buck-of-the-Month Club letter. It is not intended to be a "dun" to remind you of an obligation. It is a friendly note from the campus, sent whether you have paid your "buck" or not; sent faithfully if you have sent a dozen dollars or even a hundred, as some have done! It will keep coming, regardless, for a Scotty is a faithful critter.

Contributions, incidentally, are deductible for income tax purposes.

Hundreds of letters have been received from enthusiastic alumni about the Buck-of-the-Month Club. Such correspondence is very welcome, and incidentally serves as an excellent method of keeping us posted on your activities.

FEBRUARY MEETINGS, 1956

The February Meetings of the present college year will be held February 1-9, 1956, in the Samuel Tyndale Wilson Chapel. This will be their eightieth year, the first having been held in 1877.

The leader will be the Rev. George E. Sweazey, Ph.D., D.D., now Pastor of the Huguenot Memorial Presbyterian Church, Pelham, New York, and formerly Secretary for Evangelism in the Presbyterian Church in the USA. It was during his secretaryship that the New Life Movement was carried through and the New Life Advance inaugurated. He has led the February Meetings once before, in 1952.

The song leader, for the fourth year, will be Rev. John Magill, D.D., '39, Pastor of the Abington Presbyterian Church, Philadelphia. For the fourth time the accompanist will be Henry Barraclough, LL.D., of Philadelphia, Assistant Stated Clerk of the General Assembly of the Presbyterian Church in the USA, who first came to America from England as accompanist for the evangelistic team of Chapman and Alexander, which was world famous forty years ago.

TWO ARTICLES BY MR. HAMPTON

Mr. James W. Hampton, Public Relations Secretary at Maryville College since the summer of 1954, has two articles about going to college in recent issues of *Good Housekeeping*.

In the May 1955 issue he writes on selecting a college under the title "Warning! Do Your College Shopping Early."

In the October 1955 issue he writes about "How to Finance a College Education."

Both are excellent articles, interesting and valuable to every person concerned with the important business of helping young people into and through college. They have leading spots in these issues of *Good Housekeeping*, which has a circulation of four and a half million, with seven million readers. The editors asked Mr. Hampton to do the second article because, they said, his first article had brought more correspondence on college affairs than the magazine had ever had in its almost three quarters of a century of publication. One of the leading questions was about how to finance a college education.

— R. W. L.

M. C. Men on Protestant Hour

One of the most widely heard religious radio programs today is that known as "The Protestant Hour" produced in Atlanta and broadcast each Sunday by almost three hundred stations from coast to coast, especially stations in the South. Different Protestant denominations provide leaders over different periods of the year.

On the ten Sundays from November 27, 1955, through January 29, 1956, ministers of the Presbyterian Church in the USA will speak. Of these ten ministers, five are directly related to Maryville College, as follows:

- December 4 — Rev. Dr. Donald A. Spencer, Chattanooga (a Director)
- December 18 — President Ralph W. Lloyd (also a Director)
- December 25 — Rev. Dr. Francis W. Pritchard, Maryville (a Director)
- January 8 — Rev. Dr. Herman L. Turner, Atlanta (a Director)
- January 15 — Rev. Dr. Earle W. Crawford, Witebita Falls, Texas (Alumnus '35)

TWO NEW DIRECTORS

In June the Synod of Mid-South elected two new Directors of the College and re-elected eleven whose three-year terms had expired. The two new Directors are:

Attorney Glen Alfred Lloyd, of the law firm of Bell, Boyd, Marshall and Lloyd, Chicago, and a Maryville graduate in the Class of 1918. His wife, Marion Musser Lloyd, and he were donors of the Fine Arts Center, erected in 1950 as a memorial to their daughter Ann Baldwin Lloyd. Mr. Lloyd is a Trustee also of the University of Chicago where he took his law degree, and Mrs. Lloyd is a Trustee of American University, Cairo, Egypt.

Rev. Dr. Francis W. Pritchard, for the past two years pastor of New Providence Presbyterian Church, Maryville. Dr. Pritchard is a graduate of DePauw University, Indiana, holds bachelor's and doctor's degrees in theology from Boston University, and is a member of the Presbyterian Board of Foreign Missions.

FORMER FACULTY

Professor Walker, who retired last spring after forty-six years of teaching at Maryville College, continues to live in Maryville.

Mrs. Sisk is spending the winter with her daughter, Margaret, '40, and her family, whose address is 2270 Norris Road Extension, Memphis 6, Tennessee. Dr. Sisk, Professor of Mathematics since 1938, died last February 1.

Mrs. Pieper has joined her husband in New York, where he has been an Associate Secretary of the National Council of Presbyterian Men since July 1954. Mrs. Jaynes, who also resigned to join her husband, who is in military service, is in Pine Bluff, Arkansas, where he is stationed at present. Miss Dunlap is serving as librarian in Farragut High School, Knox County, where she was librarian before joining the Maryville College Library staff in 1951.

Miss Dorothy Vawter was married on September 13 in the Little Chapel to Daniel W. Winter, '50. Dan is on the music faculty of the College of Wooster, in Ohio.

Miss Jane Johnson was married on June 10 to Robert Theiss. They are living in Cincinnati, where Mr. Theiss is attending the Gruen Watchmaking School.

Miss Thelma Nelson, Instructor in Music from 1947 to 1951, was married on June 1 to the Rev. James Dale Mowrey. They expected to be stationed within the Western Pennsylvania conference of the United Brethren Church.

Miss Rachel Armstrong, Home Economics teacher from 1934 to 1943, visited on the campus recently en route to a two-year assignment at the Women's Christian College, Madras, India. A group of seven home economists from the University of Tennessee are being sent to India to serve as teachers and technical consultants. Miss Armstrong is on leave from her position on the faculty of the Martin Branch of the University of Tennessee.

Miss Davies saw the Richard Vines in Salzburg in May. Mr. Vine, who taught music at Maryville for four years between 1942 and 1947, had been in Milan for the year, on leave from the University of Hawaii.

Mrs. L. A. Black (Miss Susan Green), who taught biology from 1906 to 1950, is now at a home near Friendsville. She is glad to see visitors and to hear from old friends. Mail may be sent to her % Mrs. Ben L. Davis, Route 1, Friendsville, Tennessee or at 711 Hillside Avenue, Maryville, where Mr. Black continues to live.

FACULTY NEWS

Two faculty members are on leave of absence this semester. Mr. Harry H. Harter, Assistant Professor of Music, is on Sabbatical Leave working toward a doctor's degree in the School of Sacred Music, Union Theological Seminary, New York. Miss Ingeborg Rodemann, Instructor in German, is on leave, doing graduate study at the University of Illinois.

Three faculty members completed work for masters' degrees this summer. Miss Frances Massey, who was on Sabbatical Leave the second semester of last year, was awarded the Master of Science degree at the University of Tennessee in

August. Miss Sarah Brown worked at the Library of Congress and U.T. this summer, and will receive her master's degree on December 16. Miss Anna McMillan completed her work at Eastman School of Music and her degree will be conferred in June 1956.

Several other faculty members also attended summer schools: Miss Crews and Mr. Schwam at Columbia University, Miss Guss at the University of Michigan, and Mr. Johnson at Indiana University. Miss Elizabeth H. Jackson, who was on leave of absence last year, continued her studies this summer at the University of Colorado; and Miss Arda Walker, on Sabbatical Leave last year, continued her studies at the University of North Carolina. They are both back on the campus this fall.

For briefer periods, Coach Davis attended coaching school; Mrs. Largen an aquatic school; and Dr. Griffiths a conference on the teaching of chemistry, held at Fisk University under the sponsorship of the American Chemical Society.

Dr. Barker taught at Furman University, Miss Blair at Alabama College, and Dr. Queener at New Mexico Highlands University.

Miss Davies returned from her Sabbatical Leave spent in England and on the Continent just in time to go to Los Angeles for the national A.A.U.W. meeting. She is the Tennessee State President this year. Miss Martin is the State Secretary.

Dr. Buchanan was a Commissioner to the Presbyterian General Assembly in Los Angeles, and then was business manager of a camp in North Carolina for the seventh summer. Mr. Witherspoon worked in the Power Requirements Branch of the TVA in Chattanooga, Miss Styles at an inn in North Carolina, Mrs. Sperry and her husband at an inn in Minnesota, Mr. Bloy as a tour conductor to the West Coast and Canada for American Express, and so on. Many of the faculty took vacation trips, east, west, north, and south.

Mrs. Brown seems to have recovered fully from her operation of last March and is again teaching full time. Under doctor's orders Dr. Hunter has taken off forty pounds and reports that he feels much better than he did last spring, when he was forced by poor health to curtail his activities.

Roland Timothy was born to the Ralph Moores on August 22. He is their first child. Mrs. Moore is continuing as a part-time piano teacher in the Fine Arts Division.

Mrs. R. C. McKelvey, who was Mrs. McMurray's assistant in the College Maid Shop for many years, celebrated her eighty-fifth birthday last April. She divides her time between Morgantown, West Virginia, and Ft. Myers, Florida, and writes that she has spoken to Presbyterian women's groups in both cities concerning Maryville College and the new women's dormitory.

Madame Adèle Dennée, who taught French and German at Maryville from 1914 to 1920, died this past summer in Columbia, South Carolina. She was ninety-three years of age.

Miss Laura Munger, who made her home with Miss V. Virginia Cates and Miss Genevieve Kehl when they were on the College staff in 1946-47, died in the spring at her home in Chicago. Several gifts have been made to the College in her memory.

NEW FACULTY

The following new faculty and staff members have been appointed:

Ernest Clinton Ash, Jr., Assistant Professor of Physics. Mr. Ash received his B.S. from the University of Alabama and his M.S. from the University of Washington. He comes to Maryville from the faculty of Tarkio College, is a veteran of World War II, and has had experience in engineering work as well as in teaching. He succeeds Professor Walker, who retired in May.

Miss Ortha Lee Burris, Circulation Librarian. Miss Burris was graduated from Tusculum College and did her graduate work at East Tennessee State College. Last year she was at Rabun Gap-Nacoochee School, in Georgia.

Mrs. Fred D. DeLozier (Ruby Violet Lane), Instructor in Home Economics. Mrs. DeLozier is teaching part time this year in the absence of Mrs. Harter. She graduated at Maryville in 1937 and received her master's degree at the University of Tennessee. She was on the faculty of Maryville College from 1941 until her marriage in 1946.

John C. Griffin, Instructor in Speech and Drama. Mr. Griffin graduated from Louisiana Polytechnic Institute and received his master's from Baylor University. He is a veteran of World War II and has had experience in business and public service as well as in teaching.

John Hutton, Jr., Instructor in Music, to carry the work of Mr. Harter during the year that he is on Sabbatical Leave for graduate study in New York City. Mr. Hutton holds his bachelor's and master's degrees from Peabody Conservatory of Music, in Baltimore. For the past three years he has been on the faculty of Hampton Institute, Virginia.

Robert A. Lynn, Instructor in Business Administration and Economics. Mr. Lynn graduated from Maryville College in the Class of 1952 and received his master's degree at the University of Tennessee in 1955.

Mrs. Robert A. Lynn (Naomi Burgos), Assistant in the Public Relations and Fine Arts Division offices. Mrs. Lynn graduated from Maryville College in 1954.

Mrs. Otto Pflanze, Instructor in German. Mrs. Pflanze is teaching part time in the absence of Miss Rodemann, who is doing graduate study at the University of Illinois. Mrs. Pflanze (Katrine Mills) attended Maryville College and graduated from the College of Wooster. She has lived in Maryville since her marriage to Mr. Pflanze, a well known citizen of Maryville, who died about ten years ago.

Mr. and Mrs. Victor R. Schoen, Instructors in Music. Mrs. Schoen received her bachelor's degree from the Oberlin Conservatory of Music, and Mr. Schoen his from Miami University, Ohio. Both received master's degrees from Indiana University. They attended the summer Academy of the Mozarteum, in Austria, in 1951 and both received performers' certificates. They were on the faculty of Montreat College, North Carolina, last year.

Marion B. Tolar, Associate Professor of Mathematics. Mr. Tolar received his bachelor's degree and a master's degree from Wake Forest College, and a master's degree from the University of Kentucky. He comes to Maryville after eighteen years at Fenn College, Cleveland, Ohio, where he was head of the mathematics department. He succeeds Dr. Sisk, who died last February.

Lecture Series — Activities Fee

The Activities Fee paid by each student has been increased from \$6.00 to \$10.00 per semester, and a new distribution approved. This is but the second change in this fee since it was first adopted in 1922, thirty-three years ago, and the first change in the distribution. After World War II when the Student Center was built a supporting fee of \$1.00 per semester was added to the original \$5.00, but no change was made in the distribution of the \$5.00.

The new total of \$10.00 allows an increase for several of the activities already in the fee and the addition of two — a Lecture Series and something for Chapel and Theatre Equipment. The amount allocated to the Lecture Series is 75¢ per semester or \$1.50 per year from each student. The Lecture Series is to be in addition to the Artists Series, and separate from it.

The purpose is to provide a modest fund on which to draw for the expense of having lecturers in various fields of learning from time to time. The first use of this fund will be made this college year.

New Major in Christian Education

Because of the extensive demand among churches for Directors or Assistants in Christian Education and the inability of the professional institutions in this field to meet the demand for professionally trained Directors, the Presbyterian Board of Christian Education, the Council on Theological Education, and the Presbyterian College Union have worked out a course for liberal arts colleges to prepare Assistants in Christian Education. Many churches unable to find trained persons have been engaging college graduates without any substantial training in Christian Education. It is hoped that more and more college students who do not go to the professional schools for graduate degrees and who may nevertheless accept such positions will foresee their plans enough to select this training course in college.

This involves a Christian Education major. Maryville College is now offering such a major, based on recommendations of the Presbyterian Board of Christian Education, the Council on Theological Education, and the Presbyterian College Union.

MEET THE FRESHMEN ! !

The current Freshman Class on the Hill is numerically stronger than any for several years, with more than 250 students enrolled in the yearling group. This reflects the general and very encouraging up-swing in the college enrollment, which is nearly a ten per cent overall gain.

Twenty-five per cent of the incoming class are related by close family ties to Maryville College alumni. Many, of course, are sons and daughters of Maryville graduates.

There are twelve foreign students on the campus this year. Here is the rather interesting break-down: Iran, 3; Korea, 3; Indonesia, 1; Scotland, 2; Hungary, 1; Puerto Rico, 1, and Hawaii, 1 (strictly speaking, not foreign countries, of course).

More than forty states are again represented.

Alumni can serve the college well as local spokesmen for the college. We want *good* students: and by all means, tell them to get their applications in early. Enrollments all over the country are increasingly healthy, and an early application is an essential.

Dr. Lloyd had some unusual adventures in his moderatorial duties. Here he is with Mrs. Lloyd at Point Barrow, Alaska. Dr. Lloyd preached at the Easter service in Alaska which was attended by more than four hundred Eskimos in forty-degree below zero weather. Mrs. Lloyd is wearing the latest in Eskimo Easter bonnets.

Dr. Lloyd attended the meeting of the Executive Committee of the Presbyterian World Alliance in Switzerland in July. Here he is shown with committee members, including two Maryville College directors: Miss Margaret Shannon, seated, second from left, and Dr. John H. Gardner, Jr., standing, also second from left.

ALUMNI CLUBS:

Several Alumni groups have been active during the past few months. In some cases, the summer seems to spur Alumni to activity, rather than to lull them into complacency!

On Friday, June 10, a number of Alumni in the Chicago area met at Waukegan. Dr. Lloyd was present and talked briefly about the college program. Dr. George Callahan of Waukegan was elected Chairman of the club for the coming year.

A group of alumni in the Indianapolis area got together informally in July. Professor Howell and Mrs. Howell were present. There was much enthusiasm and there is a distinct possibility that an Alumni Club may be formed in Indianapolis.

The National Capital Maryville College Club met for its annual picnic on Saturday, August 20. This rapidly growing club had a large attendance at the barbecue, although the heat wave and Hurricane Diane had combined to give all kinds of trouble. Homer McCann's barrel of lemonade disappeared so fast that a Congressional investigation was almost launched! Paul Kidder was elected chairman of the Club for the next year.

The simultaneous Dinners in honor of Dr. Lloyd, discussed briefly on page five, will give many Alumni the opportunity to honor the President of the college and to renew old acquaintances as well. So far, responses have come in from the San Francisco club, the National Capital Club, the Florida Alumni group, the Cincinnati club, and from the Boston alumni. Other Clubs are in the process of setting up testimonial dinners on November 4 to coincide with the dinner at the College. You are asked to get in touch with your local chairman—or the alumni office—if you want further information.

Several alumni have requested articles about outstanding alumni and faculty personalities. At the fall meeting of the Executive Committee, this plan was heartily approved. The first of this series will appear in the spring issue under the title: Spot-Light on the Hill.

THE MARYVILLE COLLEGE ARTISTS SERIES

A brilliant array of talent has been scheduled for the 1955-1956 Maryville College-Community Artists series. All performances will be held in the auditorium of the Samuel Tynedale Wilson Chapel.

Inaugurating the series will be Helen Gabagan Douglas, famous star of stage and screen, who will team with Basil Rathbone in a unique theatrical production called "One Plus One" at the initial series offering on October 27.

Another top-notch event will be the appearance of Igor Gorin, world-famous baritone, on November 14. On January 24, the Zurich Little Symphony will visit the Maryville campus for a performance. This is the first American tour of the Zurich group.

Concluding the Artists series will be a recital by Sanroma, internationally known pianist, on March 1.

ANNOUNCEMENTS OF SCHOLARSHIPS AT PRESBYTERIAN COLLEGES

Announcement has been made by the Division of Higher Education of the Board of Christian Education of the Presbyterian Church in the USA of fifty scholarships to qualified Presbyterian young people entering any of the forty-one church-related colleges in the fall of 1956.

Awards will range from \$100 to \$1,000 for the freshman year and will be renewable if the student maintains superior standing. The scholarships are competitive and will be based upon a combination of scholastic ability, character, and financial need. There will be twenty-five national awards and a like number on a regional basis.

Applicants must notify the colleges of their choice that they intend to apply for admission and that they have made application for Presbyterian College Scholarships. *This must be done before December 1, 1955.*

Before awards can be made, the applicants must have been accepted by the college of their choice. Information can be obtained from local pastors, from any of the forty-one Presbyterian Colleges, or direct from the Board of Christian Education, 808 Witherspoon Building, Philadelphia 7, Pa.

We would like to remind you that it takes about four weeks from the time material is assembled until it is printed and distributed to alumni. If you don't see an item you sent in, therefore, it is probably because it was received too late for use in this issue.

Here and There

1911

For the past thirty-five years Rev. Wallace H. Marsh has been with the Anti-Saloon League of New York, now the New York Temperance Civic League, first as a staff member and finally as State Superintendent. His chief interest has been in the field of alcohol education. In 1953 he retired that a leader in the educational field might take his place, but he has been retained as General Field Secretary. The League's headquarters are in Albany.

1913

DEATHS

Rev. Dr. Clinton H. Gillingham, '05, died July 18, 1955, at the age of seventy-seven. Dr. Gillingham was Professor of Bible at Maryville from 1908 to 1929, and for most of that time served also as Registrar. In 1929 he became president of the Philadelphia School for Christian Workers, which in 1931 became Tennent College of Christian Education, and remained there until 1943, when Tennent was merged with Princeton Seminary. Soon afterwards he and Mrs. Gillingham returned to Maryville to live. He is survived by his wife (Helen Lewis, '20), two daughters, Alice Gillingham McDowell, '28, and Mary Gillingham Padgett, '35, and four sons, George '26, Wilson, '31, Jonathan, '35, and Edward, '38.

George Reed Shelton, '11, died in July at his home in Chevy Chase, Maryland. He was sixty-six years old. Mr. Shelton had retired in March from the National Bureau of Standards after twenty-five years of service in its ceramics section. He recently had received the Department of Commerce's silver medal for outstanding contributions in technology in the field of ceramics. He is survived by his wife (Eva Alexander, '10), a son and a daughter.

W. Earl Martin, '17, died August 16, 1955, at a Knoxville hospital. He had been ill for several years. Mr. Martin's home was in Maryville, and he had held an official position with the Aluminum Company of America. He is survived by his wife and one daughter, also a sister, Mrs. Fred Neubert (Alta Martin, Prep. '08), and a brother, Kenneth, Prep. '16.

Herbert W. Samsel, '17, died June 19, 1954. News of his death was received in the Alumni Office in May, 1955. Mr. Samsel's home was at Bean Station, Tennessee. His two brothers, Richard Clarence, '07, and Albert Charles, '10, and a sister, Eva May, '14, continue to live there.

Mary Almeda Thomas (Mrs. George K.) Neff, ex '26, died May 19, 1955, in Sheffield, Alabama. She is survived by her husband, Rev. George K. Neff, '25, and daughter, Persis, who is a sophomore at Maryville.

William H. Blough, ex '27, was fatally injured in an automobile accident near Washington Courthouse, Ohio, in the early summer. He was returning from Pennsylvania to his home in Shelbyville, Tennessee. Mr. Blough formerly resided in Maryville, where he was engaged in the practice of law. He is survived by his wife (Anne Ellis, ex '28), a son and two stepdaughters.

Lawrence L. Clouser, ex '31, died last spring. He had lived in Philadelphia for many years, and was a member of the First Presbyterian Church of Germantown. By his will he set up at his church a scholarship fund for Maryville College students.

Dr. Wesley Y. Culver, '33, died in July at the home of his mother on Long Island, New York. His death was due to a heart attack. Dr. Culver, a psychiatrist, was head of the Four Winds Sanitarium. He had visited in Maryville about a year ago.

Ralph Thomas Parkinson, '47, died May 25, 1955, in Berea, Kentucky. His death resulted from a heart ailment which had hospitalized him for several days. He was thirty years of age. Mr. Parkinson had been Dean of Men at Berea College since September, 1954. He had previously been at Washington College, Tennessee. He is survived by his wife (Joan Liddell, '47) two children, his parents and two sisters.

Henry L. Fugate, '50, died July 31, 1955, at his home in Maryville, after an extended illness. He is survived by his wife (Ezell Hayes, '41), one son, his mother, and several brothers and sisters.

Clarence B. Shepard, '55, was drowned June 4, 1955, when the car in which he and a companion were riding ran off the road into the backwaters of Fort Loudon Lake near Knoxville. He is survived by his parents, two sisters and three brothers, two of whom are Joseph Everett, '50, and Kenneth, '54.

INTEGRATION

More than a year ago we announced that, since the U. S. Supreme Court had declared unconstitutional state laws requiring schools and colleges to segregate Negro and white students, Maryville College would enroll students regardless of race, as it had done a half century ago before Tennessee extended its segregation laws to private and church institutions.

Throughout last year there were six Negro students enrolled for fulltime work in Maryville College. This fall four of them are back and three new ones have enrolled, making a total of seven in college this semester doing fulltime work. In addition there are four others, one adult and three of pre-college age, taking music lessons. The program is going forward successfully.

As far as we know, no other Tennessee colleges at which white students predominate have enrolled Negroes as undergraduates. Fisk University and perhaps other private colleges at which Negro students predominate have admitted white students. There are several graduate schools which now have both white and Negro students, the tax-supported ones having been required by the Federal Courts to take this step. Ultimately, of course, all tax-supported colleges and universities will be required to complete integration of their programs, and various church and private colleges, for which it is voluntary, have the matter under consideration.

Reports indicate that Oak Ridge, where the school policy is controlled by the U. S. Atomic Energy Commission rather than by the local community, is the only place in Tennessee where integration has yet been put into effect in the public elementary or high schools. Others are taking advantage of the U. S. Supreme Court's ruling which allows a reasonable period to work out necessary adjustments.

Maryville College, located in one of the "segregation" states of the South, took a prompt pioneering action which has won the approval and support of most alumni and friends, and the respect, if not always the approval, of neighbors in the community. Some alumni have been very encouraging and helpful. I have, of course, received some sharply critical letters and a few abusive ones, and a few persons in conversation have voiced disapproval although these have been very few. Our admission of Negroes probably has cut down somewhat the enrollment from the Maryville-Knoxville area and the South, but that will be temporary. In any case, our step was taken because we believe it to be right, not because we thought it would be popular. We are thankful that it has had a large measure of approval, and we are more than ever convinced that our policy is right and the only one consistent with the Christian ethics.
